Subject: BQHC - Affiliation Agreement

It is ready now, Tom. Attached is the latest revised draft of the above-referenced agreement, redlined to indicate the cumulative changes made to the document originally provided by the hospitals.

The additional changes in this draft are a result of this morning's conference call. i.e., I revised the frequency of the financial reports DeVry is to be provided, and changed the parties to the agreement as a means of obtaining additional security. There were some other, minor changes, including some formatting and grammatical changes.

Please let me know if you have any comments or questions. If you are satisfied with the document, you may provide it to the other party, along with my contact information.

Thanks,

Virginia

2. provide appropriate clinical supervision and training of University students, including their performance of relevant clinical procedures, while taking core clerkships in Internal Medicine, Surgery, Obstetrics & Gynecology, Psychiatry, and Family Medicine as well as elective rotations at the Hospitals. 3. inform the appropriate officials of the University, in a timely and confidential manner, of any substantially inappropriate behavior, as defined by the Hospitals code of conduct and/or professional standards of conduct (copies of which shall be provided), on the part of any student, which may indicate the need for sustained counseling or correction.

UNIVERSITY'S CLINICAL CURRICULUM GUIDE

[TO BE ATTACHED]

EXHIBIT B

This exhibit sets forth the financial terms of the above Agreement, whereby the University hereby agrees that it will pay BQHC, as follows:

- a. The University will deposit with BQHC \$5,000,000 US Dollars (the "Pre-Payment Funds") on or before December 27, 2006, by wire transfer or such other commercially reasonable manner as may be agreed upon between the Parties;
- b. In consideration of such payment, BQHC shall cause the Hospitals to provide clinical clerkships to the University's eligible students during the term of this Agreement, and until the Pre-Payment Funds have been exhausted; and
- b. Thereafter, the University will pay for subsequent clinical clerkships on a "service performed" basis, at the rate set forth below, once the Pre-payment Funds have been fully amortized.

The Pre-Payment Funds represent an advance payment for core and elective clerkship weeks, calculated at a rate of \$312.50 per week, per clerkship, at either of the Hospitals, for a total of sixteen thousand (16,000) instructional weeks. For avoidance of all doubt, the Pre-Payment Funds are intended to cover the total number of weeks for each clinical clerkship guaranteed hereunder until the Pre-Payment Funds have been exhausted.

During the term of this Agreement, BQHC guarantees that the Hospitals shall provide the University with a minimum number of fifty (50) core clerkship slots, allocated as follows:

| | |
|-----------------|----|
| Surgery | 16 |
| Medicine | 20 |
| Ob/Gyn | 8 |
| Family Medicine | 6 |

In addition, BQHC further guarantees that the Hospitals shall provide the University with fifty (50) elective clerkship slots during the term of the Agreement, to be allocated in accordance with the mutual agreement of the Parties.

The clerkship rate of \$312.50 per week is guaranteed for the entire term of the Agreement. In other words, once the University has exhausted the Pre-Payment Funds deposited with BQHC, the University shall be entitled to pay for additional clinical clerkships at this rate for the remaining balance of the term of the Agreement.

The University will provide to BQHC, on behalf of the Hospitals, annual library support of \$10,000.00 USD paid semi-annually in consideration for the use of the

Hospitals' library facilities by University students engaged in clinical clerkships during the term of the Agreement.

The University also agrees that it will pay BQHC, on behalf of the Hospitals, for reasonable secretarial support required to implement this Agreement. The amount to be paid by the University for secretarial support will be determined by the Parties, based upon the size of the student program and shall be agreed upon in writing. In no event shall the amount paid by the University for secretarial support for any given year be less than \$36,000.00 USD, so long as the Hospitals are providing at least fifty (50) core clerkship positions for the University's students.

The Hospitals will submit invoices for such expenses and the invoices will be supported by appropriate documentation. Payment terms are net 30 days.

In consideration of the Pre-Payment under this Agreement, the University will receive an amount equivalent to interest, paid at a rate of LIBOR + 1% per annum and calculated on the unamortized amount of prepayment. Such amortization is based upon the amount expended for the clinical clerkships on a monthly basis over the term of this Agreement, as set forth in Exhibit C, which is attached hereto and incorporated by reference herein.

NOTE: Neither the Hospital's provision of services nor the payment to the University of any monetary consideration under this Agreement in exchange for the Pre-Payment Funds constitutes a lending arrangement. The University is not a lender or a financial institution, and is not in the business of making commercial loans or financial transactions, which may be subject to state or federal regulation. Pre-payment for services is at the express request of BQHC, and is solely for the convenience of BQHC and the Hospitals.
